Sir:

Pursuant to 37 C.F.R. § 1.181(a) and M.P.E.P. § 711.03(c)I, Applicants hereby petition for withdrawal of the holding of abandonment communicated in the Notice of Abandonment mailed March 19, 2008. Applicants submit that the present application is not abandoned and the Notice of Abandonment was issued in error. The Notice of Abandonment states that the present application is abandoned in view of “[a]pplicant’s failure to timely pay the required issue fee and publication fee, if applicable, within the statutory period of three months from the mailing date of the Notice of Allowance (PTOL-85).”

Applicants contend that the Notice of Abandonment was issued in error because the Notice of Allowance and Issue Fee(s) Due was never received.

Statement of Facts

Fenwick & West LLP (Applicants' prior counsel, referred to hereinafter as "Prior Counsel") submitted a "Request for Withdrawal as Attorney or Agent and Change of Correspondence Address" on October 12, 2007 (see attached copy of Withdrawal/Change of Correspondence Address). This Withdrawal/Change of Correspondence Address was entered into the File Wrapper on October 12, 2007 (see copy of File Wrapper printed from PAIR). The Withdrawal indicated that all future correspondence related to this application was to be sent to Gregory J. Kirsch, Needle & Rosenberg, P.C., 999 Peachtree Street, Suite 1000, Atlanta, GA, 30309 (hereinafter referred to as "Present Counsel").

On November 8, 2008, the Patent Office issued a "Notice of Allowance and Fee(s) Due" in this application. The Notice of Allowance and Fee(s) Due required a response by February 8, 2008. This date was not extendable. The Notice of Allowance and Fee(s) Due was mailed to Prior Counsel (see attached copy of the Notice of Allowance and Fee(s) Due). Present Counsel did not receive the Notice of Allowance and Fee(s) Due.

Present Counsel subsequently entered a Revocation of Prior Power of Attorney, Appointment of New Power of Attorney, and Statement Under 37 CFR 3.73(b) on January 24, 2008 (copy attached), that was recognized by the Patent Office on February 4, 2008.

On March 19, 2008, the Patent Office issued a Notice of Abandonment (copy attached) in the present application. This Notice of Abandonment was mailed to Applicants' Present Counsel.

For the reasons set forth herein, Applicants submit that the Notice of Allowance and Fee(s) Due was not received and the Notice of Abandonment was issued in error.

M.P.E.P. 711.03(c) I A provides the following:

A. Petition To Withdraw Holding of Abandonment Based on Failure To Receive Office Action

In *Delgar v. Schulyer*, 172 USPQ 513 (D.D.C. 1971), the court decided that the Office should mail a new Notice of Allowance in view of the evidence presented in support of the contention that the applicant's representative did not receive the original Notice of Allowance. Under the reasoning of *Delgar*, an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action. That is, the reasoning of *Delgar* is applicable regardless of whether an application is held abandoned for failure to timely pay the issue fee (35 U.S.C. 151) or for failure to prosecute (35 U.S.C. 133).

To minimize costs and burdens to practitioners and the Office, the Office has modified the showing required to establish nonreceipt of an Office action. The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner **>describing the system used for recording an Office action received at the correspondence address of record with the USPTO. The statement should establish that the docketing system is sufficiently reliable. It is expected that the record would include, but not be limited to, the application number, attorney docket number, the mail date of the Office action and the due date for the response.

Practitioner must state that the Office action was not received at the correspondence address of record, and that a search of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received. A copy of the record(s) used by the practitioner where the non-received Office action would have been entered had it been received is required.

A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the master docket for the firm. That is, if a three month period for reply was set in the nonreceived Office action, a copy of the master docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. If no such master docket exists, the practitioner should so state and provide other evidence such as, but not limited to, the following: the application file jacket; incoming mail log; calendar; reminder system; or the individual docket record for the application in question.<

The showing outlined above may not be sufficient if there are circumstances that point to a conclusion that the Office action may have been lost after receipt rather than a conclusion that the Office action was lost in the mail (e.g., if the practitioner has a history of not receiving Office actions).

Evidence of nonreceipt of an Office communication or action (e.g., Notice of Abandonment or an advisory action) other than that action to which reply was required to avoid abandonment would not warrant withdrawal of the holding of abandonment. Abandonment takes place by operation of law for failure to reply to an Office action or

timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment. See *Lorenz v. Finkl*, 333 F.2d 885, 889-90, 142 USPQ 26, 29-30 (CCPA 1964); *Krahn v. Commissioner*, 15 USPQ2d 1823, 1824 (E.D. Va 1990); *In re Application of Fischer*, 6 USPQ2d 1573, 1574 (Comm'r Pat. 1988).

In light of the above, and in fulfillment of the requirements of M.P.E.P. 711.03(c) I A, Present Counsel for the Applicants attest to the following:

- (1) Present Counsel maintains a reliable docketing system. All correspondence from the Patent Office is routed to a Docketing Department and all Office actions are docketed with at least a date of receipt and a due date.
- (2) Present Counsel assigned a client/matter number of 03311.0009U2 to the present application, application serial no. 10/773,385. Present Counsel's docketing system relates the application serial number to the assigned client/matter number.
- (3) Present Counsel attests that a search of the file jacket and docket record indicates that a Notice of Allowance and Fee(s) Due was not received in this application. Present Counsel submits a copy of the docket record for this matter to show that the Notice was not received or docketed.
- (4) The entire delay in filing the required reply from the due date of the reply until the filing of this response was unavoidable as the Applicants or Applicants' Present Counsel did not receive the Notice of allowance and Fee(s) Due.

In view of these showings, Applicants believe withdrawal of the holding of abandonment would be proper. Thus, Applicants respectfully request withdrawal of the holding of abandonment in the present application.

Favorable consideration of this Petition is earnestly solicited.

It is believed that no fee is due with this Petition because Applicants contend that the application is not abandoned (see M.P.E.P. § 711.03(c)I). In the event that it is determined that a fee is due, the Commissioner is hereby authorized to charge the fee to Deposit Account No. 14-0629. Furthermore, payment of the required Issue Fee that was due February 8, 2008 is separately submitted with the filing of this Petition. Any additional funds required for payment of the Issue Fee and/or Publication Fee(s) are hereby authorized to be charged to Deposit Account No. 14-0629 or any overpayment is authorized to be credited to Deposit Account No. 14-0629.

Respectfully submitted,

THIS APPLICATION IS SUBJECT TO WITHDRAWAL FROM ISSUE AT THE INITIATIVE OF THE OFFICE OR UPON PETITION BY THE APPLICANT. SEE 37 CFR 1.313 AND MPEP 1308.

THE ISSUE FEE AND PUBLICATION FEE (IF REQUIRED) MUST BE PAID WITHIN THREE MONTHS FROM THE MAILING DATE OF THIS NOTICE OR THIS APPLICATION SHALL BE REGARDED AS ABANDONED. THIS STATUTORY PERIOD CANNOT BE EXTENDED. SEE 35 U.S.C. 151. THE ISSUE FEE DUE INDICATED ABOVE DOES NOT REFLECT A CREDIT FOR ANY PREVIOUSLY PAID ISSUE FEE IN THIS APPLICATION. HOW TO REPLY TO THIS NOTICE:

I. Review the SMALL ENTITY status shown above.

If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

If you are charging the fee(s) to your deposit account, section "4b" of Part B - Fee(s) Transmittal should be completed and an extra copy of the form should be submitted. If an equivalent of Part B is filed, a request to reapply a previously paid issue fee must be clearly made, and delays in processing may occur due to the difficulty in recognizing the paper as an equivalent of Part B.

III. All communications regarding this application must give the application number. Please direct all communications prior to issuance to Mail Stop ISSUE FEE unless advised to the contrary.

IMPORTANT REMINDER: Utility patents issuing on applications filed on or after Dec. 12, 1980 may require payment of maintenance fees. It is patentee's responsibility to ensure timely payment of maintenance fees when due.
